As part of its **Self Transformation Movement** initiative
Transform Yourself and You Transform Your World

The transformation of the world is brought about by the transformation of oneself because the Self is the product and a part of the total process of human existence. To transform oneself, self-knowledge is essential; without knowing what you are, there is no basis for right thought and without knowing oneself, there cannot be a transformation.

Dedicated to the pursuit of practical Advaita and truth in all forms – whether in art, religion, science, or philosophy, across all ages and cultures – the ashram seeks to integrate science and spirituality into daily life.

Advaita Ashramam, Nanniode, is being established as part of NARDC's CSR initiative at Palakkad District, Kerala, India – 678534.
